Filling Out an Issue Sheet

Issue Title: (tell us what the problem/issue/concern is)

Commissary Operational Hours

Army Family Action Plan

Scope: (tell us about the issue; why it's a problem; who it affects)

The commissary being closed on Monday's is a problem for myself and many of my neighbors and friends. If I run out of milk or diapers on Sunday night, I have to go on the economy to purchase these items. As homeroom mother, I often find myself having to cook little treats on Monday for Tuesday, and again I must shop on the economy for these items. It costs my family and many other Army families many additional dollars because of this inconvenience.

eather Miles/IMPC-HI-MWA/(808) 655-1696 (DSN 314) / heather.miles@us.army.mil

Army Family Action Plan

Recommendation: (tell us what we should do to fix it)

I would like all commissaries to have hours similar to grocery stores on the economy. At a minimum, operating seven days per week so my family and other Army families do not have to spend additional dollars we do not have for groceries outside the gates.

Heather Miles/IMPC-HI-MWA/(808) 655-1696 (DSN 314) / heather.miles@us.army.mil
